NOTE: The Convertible preference stock is entitled to cumulative dividends at the rate of \$4.00 per share per annum. Upon any distribution of capital assets, the Convertible preference stock is entitled to receive \$50.00 per share (of treasury shares, at December 31, 1942 or \$12,438,356.00 in excess of the stated value of such shares) and accretion of common stock in any distribution of the balance until the Convertible preference stock shall have received a total of \$50.00 per share. In their opinion, there are no restrictions upon the surplus of the Company by reason of the excess of the preferred value of such shares. The surplus accounts, however, are restricted to the extent of the cost of the treasury stock.

ARTHUR ANDERSEN & CO.

To the Board of Directors,
Hershey Chocolate Corporation:
67 WALL STREET, NEW YORK

We have examined the consolidated balance sheet of Hershey Chocolate Corporation (a Delaware corporation) and subsidiary company as of December 31, 1942, and the consolidated summaries of profit and loss and earned surplus for the year then ended, have reviewed the system of internal control and the accounting procedures of the Company and, without making a detailed audit of the transactions, have examined or tested accounting records of the Company and other supporting evidence, by methods and to the extent we deemed appropriate. Our examination was made in accordance with generally accepted auditing standards applicable in the circumstances and included all procedures which we considered necessary.

In our opinion, the accompanying balance sheet and related summaries of profit and loss and earned surplus present fairly the position of Hershey Chocolate Corporation and subsidiary company at December 31, 1942, and the results of their operations for the year, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

New York, N. Y., February 17, 1943.
